Lübeck, 21.09.2018

Dear Hannah Ambühl,

We would be delighted to invite your film **Älven min Vän / The River, My Friend** for the programme of the 60th Nordic Film Days Lübeck. The festival, which specialises in the presentation of films from Northern Europe, takes place from October 30th to November 4th 2018.

As you no doubt know, we show a wide range of feature films, documentaries and shorts from the Nordic and Baltic countries as well as a retrospective and a programme of films from Northern Germany. All films are screened in the original language, normally with English subtitles. The film programme is accompanied by seminars, workshops and conferences. The 60th Nordic Film Days Lübeck will open on Tuesday, October 30th and the awards ceremony will be held in Theater Lübeck on Saturday, November 3rd, both followed by a reception/party. A detailed screening schedule will be available in early October.

It is our experience that it is important for the film to be represented in person by the filmmaker. We would therefore be very pleased to invite you to attend the festival, meet the audience and participate in the many activities. Our invitation covers accommodation for three nights at our festival hotel as well as free accreditation, which gives access to the social and business events held throughout the festival.

We would be very happy if you would accept the invitation and we are looking forward to presenting **The River, My Friend** in Lübeck and welcoming you to the festival!

With many thanks and best regards,

Linde Fröhlich, Artistic Director Nordic Film Days Lübeck
